Getting a rebate is easy!

1. Purchase and take delivery of a new ENERGY STAR product.
2. Complete this application form.
3. Mail completed form to your electric utility **within 90 days of purchase**, along with copy of your dated sales receipt. Or email to: rebate@brightenergysolutions.com

This rebate offer is good for purchase of new ENERGY STAR certified product(s) indicated at left. Restrictions apply, as noted. This offer is available to customers of participating municipal electric utilities listed on the back of this form. Equipment must be installed in a residence served by a participating electric utility. Equipment must not be used to qualify and receive payment for energy savings from any wholesale electricity market.

To receive rebate, mail completed application, along with your dated sales receipt, to your participating municipal utility, or email to rebate@brightenergysolutions.com. Incomplete information will delay or disqualify your rebate. **Applications must be postmarked within 90 days of purchase.** If you do not receive your rebate within eight weeks, please call your participating utility. Utility representatives may conduct an inspection to verify any installed equipment.

This rebate program is reviewed and authorized each year for incentives that are available from January 1 through December 31. This rebate offer is available on a first come, first served basis, and can be changed or withdrawn at any time without notice. The utilities do not warrant the performance of installed equipment expressly or implicitly. Offer is subject to change without prior notice. Void if copied or transferred or where prohibited by law. One rebate per product purchased. Rebate will not exceed purchase cost of equipment. Not responsible for lost, late, or undelivered responses. This form has no cash value. Please retain a copy for your records.

Any use of this rebate or form except as described herein constitutes fraud. Fraudulent submissions could result in federal prosecution under U.S. Mail Fraud Statute (18 U.S. Code, Section 1241 and 1242). Please dispose of used appliances in an environmentally friendly way.
